Please sign me up for the NDS Express Blowout package. I will be charged \$169 per package. This will allow me to come in ten separate times for a blow out during regular business hours for a blowout (regularly \$32). I understand this contract will automatically renew after I use my eighth visit. After one-year prices are subject to change. If I cancel prior to the 10- visits I will be charged \$25 for all previous blowouts on the package and if a refund is due it will be transferred to a gift card.
